

# Indian Creek School District Rural, Wintersville, Ohio Jefferson County

## **Breakfast & Beyond-2021**

### **Collaborators**

- District Administrators, Teachers
- Child Nutrition
- Volunteers, Bay 6 Project
- Grants, Children's Hunger Alliance, GenYouth

### **School District Instructional & Meal Options**

#### 2020-Summer Meal Program

- Partnership with Bay 6 Project that services the community
- District prepared breakfast and lunch meals for pick up by Bay 6 volunteers

#### 2020-21- In-person and Virtual Instruction

- Breakfast and Lunch for all students attending on campus and virtually
- Weekend Back-Pack Meals for all students

### **Goals**

- Partner with community group to provide summer meals
- Provide no cost meals to students

### **Results**

- District provided greater access to school meals through partnership with Bay 6 Project
- Nearly 90,000 breakfast and lunch meals were served from March through August

*SY 2010-2020 (March through August). The food service department at Indian Creek Schools wanted to find ways to expand the summer food program to help families in need during the summer months. A teacher that volunteered with Bay 6 Project, a local charity, connected the food service director with Bay 6 Project. Bay 6 and the district explored ways they could work together so students had greater access to breakfast and lunch meals throughout the summer months. Bay 6 Project offered volunteers to distribute meals to students.*

*Indian Creek Schools purchased additional equipment with grant funding to prepare and package meals for the summer program. Bus drivers from the district delivered the meals to Bay 6 where volunteers distributed them. The district partnership with Bay 6 Project proved successful! Nearly 90,000 meals were served to students during the summer months.*

*SY 2020-2021- The district prepares and serves meals to students attending school using proper protocol to ensure safety. For virtual students, meals are packaged for pick up by students every Monday. The district also prepares weekend bags for students to pick up on Friday at school. Weekend meals are included in the Monday pick up for students attending school virtually.*
