Results

- The child nutrition staff have stepped up to the challenge of feeding students virtually and in-person. Providing meals has been rewarding and parents are grateful for the service.

SY 2019-2020- Conneaut Area Schools began virtual learning. The child nutrition department activated a new meal service method. Meal packs were prepared and packaged for breakfast and lunch and delivered to 8 different locations throughout the city.

SY 2020-2021- Students attend either virtual or hybrid learning for the school year. For students attending virtual school, the district provides a 5-day meal pack for families to pick up at the school building. The district makes every effort to accommodate schedules by providing meals on different days if needed. For students attending hybrid instruction breakfast is grab n go. Breakfast and lunch are served in the cafeteria. Primary students attend school 4-days a week and are served grab n go breakfast and lunch in the classroom. For virtual learning days, meal packs are provided for students to take home.

Overall, the challenge of serving students in multiple ways has been met with a can-do attitude by staff. Parents are grateful for the extra effort the child nutrition department has made to ensure all students have an opportunity to receive a meal every day.
